Bellevue, Odeon, Sechseläutenplatz, Opera,  Bernet Relations
Belcafé is just a few steps from the Bellevue tram station and 300m from our agency. The Bernet-Team loves to drink coffee here. Odeon Bar was a gran café in the early 20st century. Lenin used to drink, read and discuss here in his Zurich years (1916/17).

2

National Museum, Platzspitz, Main Station
The impressive building at the beginning of Platzspitz Park (early 90s famous as «needlepark», a meeting point for addicts) you find the history/cultur museum of Switzerland. Learn and explore!

3

Niederdorf, Old Town, Grossmünster
The oldtown of Zurich with a lot of wonderful coffee shops, boutiques, narrow streets and with the big cathedral, the Grossmünster – you can even climb one of the two towers!

4

Bahnhofstrasse, Lindenhof, Paradeplatz
Bahnhofstrasse is for those of you who love the big brands, jewelry, watches. The famous Paradeplatz is THE home of Swiss Banks. But their are also silent moments at the cute little Lindenhof-Square and its surrounding area.

5

Kreis 4 und 5
Zurichs quarters are numbered (like Paris). Kreis 4 and 5 are for nightlife, but also for shopping in a bit younger and more «hipster» style than Bahnhofstrasse. Langstrasse is the wicked redlight avenue and is connecting the 2 quarters.

6

Letten, Rivers Sihl/Limmat
Summertime – and the living is easy. At «Letten», just right after Main Station, Platzspitz, National Museum you enjoy a bath in the cristal clear water of the river Limmat and a drink in the sunset. Zurichs jeunesse (and not so jeunesse) LOVES to be here.

7

Zoo, Zürichberg, lookout
The Zoo is not only famous for its Masoala (Madagaskar) jungle-hall, and for the big and new elephant house – it is also located at the beautiful Zürichberg with a great view over city and lake.

8

Prime Tower, Gerolds Garten, Viadukt, Freitag
The Prime Tower is the biggest building in Zurich. Have a drink up there (Bernet had here some client workshops/events) at the top floor. In this area you find also drinks at Frau Gerolds Garden, the shopping mile Viadukt and the FREITAG-Shop in freight containers...

9

Uetliberg, lookout point
Take the beautiful Üetliberg-Bahn (S10, Main Station) up to the highest point of Zurich (871 m.s.l.), climb the tower and enjoy the breathtaking view over the city and lake. Take a walk back down (or vice versa).

10

Park and museum Rietberg
This is special: This museum located in a beatiful park and in an old villa is dedicated to art of Asia, Africa, America, Oceania – it's close to the center and a very nice place to relax and get inspired.
